TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS, the opioid crisis is worsening in Ontario with each passing day, and 2016 had a record of 865 opioid related deaths recorded, and an increase of 19 percent from the year before.

WHEREAS, involvement with one of the most dangerous and powerful opioids, Fentanyl, has seen an increase of 548% from 2006-2015, and is now the most commonly involved opioid in opioid-related deaths.

WHEREAS, one of the most important tools the fight against the opioid crisis is prevention and that comes with increased and constant education and awareness.

THEREFORE, we the undersigned, petition the Legislative Assembly of Ontario as follows: That the Ontario Government review and adopt Nick's Law, ensuring that at least 10 percent of the Ontario Government's advertising budget is allocated to education and awareness campaigns on the risks of taking opioids, fentanyl and fentanyl laced counterfeit drugs.
